WEB PAGE UPDATES	DISTRIBUTION
Advertisements will be added onto the end of the web page list in the order they are received. As machines are sold, or older adverts expire, your advert will work its way higher up the list. Advertisements expire after 6 months, and will be removed from the list. Please let us know if your machine sells before the 6 month expiry.	Approximately 20,000 unique visitors look at our website over a 6 month period, generating more than 350,000 hits on our various pages. A large number of these people suffer from sleep apnea, and are quite likely to be in the early stages of diagnosis and treatment.
